Richard C. Krebs*

True success is a variable measured in terms of one's aims. He who aims at nothing is almost sure to hit it. He who would achieve sets his level of aspirations high.

Your formal education has been keyed by that to which you aspire; the knowledge itself but a potential, the magnitude of which is determined by what you put into it; its worth ultimately to be realized in its constructive use.

In the continued development of the pattern of your lives, may you set your thoughts upon things of value; spend your strength in the fulfillment of noble purposes; be faithful to responsibility cherishing service above gain.

Richard C. Krebs

Principal,

PRINCIPAL RICHARD C. KREBS

Mrs. Krebs joined her husband to view and participate in many South High activities. They are pictured at the left among the many who took part in the Homecoming Coronation ceremonies.

As a graduate of South High you will become a living symbol of your Alma Mater. Should you compromise South High's standards, the traditions and high honor of your school will be lessened. When you succeed your victories will reflect glory upon her name. Since South High can rise no higher than the achievements of her sons and daughters, our anticipations for the future brighten when we reflect upon your combined record of achievement during the past four years. We hope that coming generations of students will rise up to thank you for what you have done and will do in her name.

Mrs. Inez P. Sherman

All of South High's faculty and students were saddened by the death of Mrs. Inez Peregoy Sherman on November 12, 1959. Mrs. Sherman, who had been the head librarian at South for 25 years, had been ill for nine weeks before her death.

Among her accomplishments was the organization of the South High School Library Service League on April 1, 1935. She is also credited with guiding many students into library work. However, Southites remember that she was interested in all the activities of the school and was often seen in the stands cheering Packer teams on to victory.

One of the many tributes to her was made by a Library Service League member who remarked, "Our library, in fact our whole school won't be the same without Mrs. Sherman. There wasn't anything she wouldn't do for her students."

The purpose of the French Club is to further the understanding and appreciation for the French language and the people and culture it represents. In regular monthly meetings the members of this group increase their knowledge of France and its contributions to the world's progress through panel discussions, guest speakers, films, tape recordings, records, and the study of old customs and traditions.

The motto of the club, "Connaitre c'est comprendre," means "To know is to understand" and is representative of the way in which French Club membership contributes to better understanding among all people.

The coach said of the boys, "Wrestling taught them to work on their own for the benefit of others. Sportsmanship is a big factor in their five consecutive team championships."

The undefeated reserves boosted the varsity strength and took over in many matches. They are, FRONT ROW: Bob Potach, 95; Fred Colanino, 103; Charles Catania, 112; Stanley Novak, 120; Robert Keeling, 127; Russell Lane, 133. Mr. Sparano happily accepts the North Invitational trophy these champs brought him. He stated that it takes more than brawn to win a match, and these boys proved it. Shown with Mr. Sparano are Don Alexander, Bob Van Outry, Jim Fuxa, Jim Hoffman and Jerry Newville. Bob Swanberg, another North Invitational Champion, is not pictured.

Victory Record

Coach Sparano's Packer grapplers this year have set and broken more records than any other team in Nebraska history. Their record stands at 65 wins with no losses, five straight State titles, three South Invitational tournament titles, five North Invitational tournament titles, five Intercity titles, and one title from the District Tournament which was initiated this season.

Southites saw the "old building" demolished to make way for the long awaited new auditorium.

A highlight of this operation was the opening of the cornerstone by Leo Lowry, Miss Fern Eads, Miss Flora Jorgensen, and Mrs. Kathryn Kavanagh, all South graduates and teachers who had attended its laying. Mr. Krebs, Mr. Sorensen, and a group of 1960 South High students were present to witness the ceremony.

The last activities of the school year

Throughout the final semester the seniors directed their attention toward commencement.

South High's 1960 City Championship Baseball Team is shown above. Left to right are first row: Gary Leander, Leo Kennedy, Rudy Matulka, Jim Hardick, Jim Collin, Bill Becher, Bob Sojka, Mike McPherson, Ronnie Bernth, Bill Drefts, Coach Cornie Collin; second row: Bill Nodean, Larry Bartek, Don Crum, Lad Nemecek, Rich Novak, Bill Vincent, Jim Becher, Don Gruidel, Gary Schrack, Student Manager Bob Urquhart, and Trainer Leonard Hawkins, Jr.

Members of South's 1960 golf team are, left to right, first row: Floyd Clapp, Terry Whitney, Dick Gulizia, and Jim Pospisil; second row: Walter Link, Rex Sweetwood, Coach Robert Murray, Bob Murphy, and John Guteena. The team posted a six win, two loss record for the season.

Junior Jim Pospisil demonstrates the swing that helped him win top honors in the seven-team Fremont Invitational Golf Tournament on April 11. Jim shot an 83, nine over par for the 74 par course. His low score, the lowest to be posted, earned him the tourney medal.

Coaches Merle Applebee and Dewey Wade began their first year with the Packer track team. Among the boys who turned in good showings this season were Ron Kellogg, senior, and Leo Kennedy, junior. Kellogg won from Central ace John Nared in the semi-finals of the 60-yard dash at the University of Omaha Indoor High School Track Meet on March 25. Kennedy was first across the line in the first section of the mile run at the same O. U. meet.

South netmen won from Westside, 2-1; and Tech, 3-0. They dropped matches to Benson, 2-1; A. L., 2-0; Central, 3-0; and Prep, 3-0.
